1The Three Classes of the Great Perfection or Dzogchen Desum (rdzogs chen sde gsum) is a revelation of Chokgyur Dechen Lingpa and Jamyang Khyentse Wangpo. It was revealed in 1857 at Meshö Dzomnang as an earth treasure taken from the Lotus Crystal Cave, a cave sacred to Guru Rinpoche. Kyabjé Tulku Urgyen Rinpoche described it as Chokgyur Lingpa's foremost treasure, as it is the only Tibetan treasure to reveal all three classes of Dzogchen.
